State of Florida
 EXECUTIVE DEPARTMENT
 Tallahassee
 June 8, 1939

Honorable R. A. Gray,
 Secretary of State,
 Tallahassee, Florida.
 Dear Mr. Gray:

Pursuant to authority vested in me as Governor of Florida under the provisions of Section 28, Article III of the Constitution of this State, I transmit to you with my objections thereto, House Bill No. 1739, entitled:

"An Act to declare, designate and establish certain State roads in Okeechobee County, Florida."

This bill seeks to designate twenty-six roads in one County as State roads without regard to expense to the State

Road Department or the feasibility of the need of the roads, whether the roads are desired or whether they are useful to the people of the County, to commerce or to the traveling public.

The roads designated are so indefinite that no person knows whether they are needed or will ever be needed for years to come. In fact, it would be impossible for the State Road Department to build or construct these roads and after they were constructed there would never be enough gas tax money in Florida to keep them in repair, much less build bridges over the streams and waterways in order to haul commerce and accommodate traffic.

If we are ever to have roads in Florida, we must have an orderly system of building, according to specifications by qualified engineers and not only the roads but the bridges must be constructed so as to withstand traffic.

A road system of this kind should not be started until a general plan of building, according to the needs of each county in Florida, has been made, then it should be placed in one bill, so that each county could get its fair share of roads designated and an equal amount of the gas taxes for building of such roads necessary for the convenience of the public commerce and the people in the section through which these roads pass.

The number of roads mentioned in this bill will hardly be useful to the County, its people or to the traveling public, therefore, I veto House Bill No. 1739, as passed by the Legislature of 1939

Respectfully submitted,

FRED P. CONE,

Governor.

Senator Kanner moved that the rules be waived and the Senate take up and consider House Bill No. 1739 (1939 Session) at this time.

Which was agreed to by a two-thirds vote.

The President put the question: "Shall the bill pass, the Governor's objections to the contrary notwithstanding?"

Upon the passage of House Bill No. 1739 (1939 Session) the roll was called and the vote was:

Yeas—Senators Adams (25th), Adams (30th), Beall, Butler, Clarke, Cliett, Collins, Cooley, Drummond, Dye, Folks, Gideons, Graham, Hinely, Horne, Housholder, Kanner, Kelly, King, Lewis, Lindler, Maddox, McKenzie, Perdue, Price, Rose, Shands, Shepherd, Shuler, Smith, Taylor, Whitaker, Wilson, —33.

Nays—None.

So House Bill No. 1739 (1939 Session) passed by the required Constitutional two-thirds vote of all members present, the Governor's objections to the contrary notwithstanding, and the action of the Senate was ordered certified to the House of Representatives immediately, by waiver of the rule.
